## RESOLUTION CHAPTER \_\_\_\_\_

Senate Concurrent Resolution No. 82—Relative to California veterans who served in Iraq or Afghanistan.

## LEGISLATIVE COUNSEL'S DIGEST

SCR 82, Blakeslee. California veterans of the Iraq War: memorial.

This measure would commemorate and honor the service and sacrifice of the members of the United States Armed Forces who supported the operations in Iraq, and their families, as the official combat mission in Iraq draws to a close. This measure would encourage mayors and communities across the State of California to honor veterans who served in Iraq and Afghanistan on November 11, 2012, in Veterans Day parades, ceremonies, and other displays of our state's gratitude for their service and sacrifice. This measure would also request that the Department of General Services work with appropriate 3rd parties to advise and oversee the creation of a memorial for the California veterans who fought and served in Iraq and, upon receiving donations from nonstate sources covering the design, construction, and maintenance costs and ensuring that the memorial is in the best interest of the State Capitol Park, erect that memorial, in accordance with California law, in the State Capitol Park. This measure would state the intent of the Legislature to enact future legislation authorizing the creation of a larger memorial commemorating and thanking those who served in both Iraq and Afghanistan.

WHEREAS, Nearly 1,500,000 members of the United States Armed Forces served in Iraq, thousands of whom are residents of the State of California, many serving on multiple deployments; and
